Bark House Style signing in the Highlands

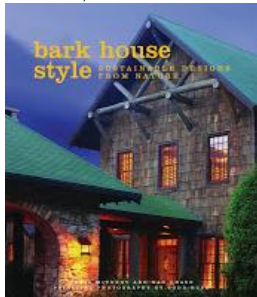

Bark House Style: Sustainable Designs from Nature authors **Chris McCurry** and **Nan Chase**, recently did a booksigning at *Summer House* antiques in Highlands, North Carolina.

Bark style is quickly becoming a popular green-building material in commercial and residential architecture. Learn about the history, various styles and varieties of homes built with bark siding and designs in ***Bark House Style: Sustainable Designs from Nature***.

Chris McCurry and her husband, **Marty McCurry**, are the originators of the modern poplar bark shingle manufacturing company, Highland Craftsmen, based in North Carolina.
